Attention: Ms. Jeanne,

Trademark Registration in Malaysia

No. TM2022030691 TM “ ” in Classes 20, 35 and 39
In the name of L&P Global Berhad

It's Registered!

Congratulations from all of us at KASS International Sdn Bhd on your trademark being successfully registered in Malaysia.

You can now use the ® symbol on your trademark. The symbol informs the public that your trademark has been registered and that any copying of the trademark by any party without your authorised use may result in an infringement suit in our Intellectual Property Court. It also implies that you value your Intellectual Property Rights and have taken the necessary action to protect your rights in Malaysia.

Please be informed that the notification of registration is issued electronically in Malaysia. As such, we enclosed herewith the soft copy of the Notification of the Registration of Trademark for your safekeeping.

This trademark registration is now valid for 10 years from the filing date. Therefore, the first renewal date for your trademark will fall on **15 November 2032.**

The Right Way to Use Your Registered Trademark

Apart from having your trademark registered, it is also vital that your trademark is used in a proper manner. Please have a look at our attached leaflet on how you should use your trademark.

Next Renewal and Maintenance

Although we will endeavour to notify you of the maintenance period and next renewal of the above mark, we recommend that you also keep track of the upcoming renewal and filing date. Also, please update us in the event your contact details change in future. We cannot accept liability for late penalty payments or lapse of this trademark registration if we were not informed of your updated contact details and were unable to remind you of the respective deadlines.

Kindly acknowledge safe receipt of all documents via email.

Thank you.

Yours sincerely,

Adriana
